

Belle And Sebastian - Im A Cuckoo

Tom: Gb

Gb
I'm glad to see you

B
I had a funny dream

Bbm Abm
You were wearing funny shoes

Bbm Abm
You were going to a dance

Bbm Ebm Bbm
Db C#sus4 Db
You were dressed like a punk but you were too young to remember

Gb
Glad to see you

B
I'm outside the house

Bbm Abm
I'm not thinking right today

Bbm Abm
I've got no energy

Bbm Ebm
I'm glad that you were waiting with me

Bbm Db
Tell me all about your day

Ebm Bbm
Breaking off is misery

Ebm Bbm
I see a wilderness for you and me

Ebm Bbm
Punctuated by philosophy

Abm B Gb
And a wondering how things could've been

Gb
I'm happy for you

B
You've made it hard for me

Bbm Abm
I counted on your company

Bbm Abm
You were staying with your friends tonight

Bbm Ebm
I'm feeling sorry for myself

Bbm Db
I keep taking everything to be to be a sign

Gb
I'm happy for you

B
Now I know this hurt is poison

Bbm Abm
Too sharp to be bled

Bbm Abm
I'm sitting on my empty bed

Bbm
On my empty bed

Ebm Bbm Db
At night the fever grows it's pounding pounding

Ebm Bbm
I'd rather be in Tokyo

Ebm Bbm
Id rather listen to Thin Lizzy-oh

Ebm Bbm
Watch the Sunday gang in Harajuku

Abm B Gb
There's something wrong with me, I'm a cuckoo

(Gb B Gb B Gb Db Gb Db)

Gb B
Scary moment, lovin' every moment

Bbm Abm
I was high from playing shows

Bbm Abm
We lost a singer to her clothes

Bbm Abm
My trouble raised its ugly head

Bbm
I was revealed

Ebm
And I was home in bed

Bbm Db
I was a kid again

Gb B
Jesus told me, go after every coin

Bbm Abm
Like it was the last in the world

Bbm Abm
And protect the wayward child

Bbm
But I'm a little lost sheep

Ebm
I need my Bo peep

Bbm Db
I know I need my Shepherd here tonight

Ebm Bbm
Breaking off is misery

Ebm Bbm
I see a wilderness for you and me

Ebm Bbm
Punctuated by philosophy

Abm B Gb
And a wondering how things could've been

(Gb Ab Bb Db Gb)

Gb
Id like to see you

B
But really I should stay away

Bbm Abm
And let you settle down

Bbm Abm
I've got no claims to your crown

Bbm
I was the boss of you

Ebm
And I loved you

Bbm Db
You know I loved you

It's all over now

Gb B
I was there for you

When you were lonely

Bbm Abm
I was there when you were sad

Bbm Abm
I was there when you were bad

Bbm
Now it's my time of need

Ebm Bbm Db
Im thinking, do I have to plead to get you by my side?

Ebm Bbm
I'd rather be in Tokyo

Ebm Bbm
Id rather listen to Thin Lizzy-oh

Ebm Bbm
Watch the Sunday gang in Harajuku

Abm B Gb
There's something wrong with me, I'm a cuckoo

Acordes
