Lisa met Chelsea at the knocking school
Chelsea didn't feel like following the rules
She left the place for another school
Where boys go with boys and the girls with girls

Chelsea wasn't one who's been abused
She changed her philosophy in '82
She says inch for pinch and pound for pound
Who needs boys when there's Lisa around

But in the first moment of waking up
she knows she's losing it, she's losing it
When the first cup of coffee clears the waging up
she knows she's losing it, oh yeah she's losing it
She ghosted in the mirror, took it on her stop,
she knows she's losing it, oh yeah she's losing it
She stops to speak to anyone till 4 o'clock
she's losing it, oh yeah she's losing, she's losing it.
