

Belle And Sebastian - Nothing In The Silence

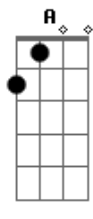

Tom: A

Gbm
 Something set me thinking,
 E
 When i opened up my eyes
 Bm
 That there was nothing there to tell me
 E
 I'd been listening to lies.
 Gbm
 But in silence there is truth
 Bm
 E
 There is beauty, there is love
 A
 Bm
 There is nothing in the silence
 E
 Gbm
 To be frightened of.
 Gbm
 Her retreat and so few words
 E
 Is the last thing you'd expect.
 Bm
 But there's danger in assuming
 E
 That she's being direct.
 Bm
 Take a look behind her eyes
 E
 And you will see.
 Bm
 That she knows nothing of silence
 E
 Silence can only come from me.
 Gbm
 Instrumental 2x:

Gbm
 Allow me then a little time
 Bm
 E
 To listen to their voices.
 A
 Bm
 It's the glamour and confusion,
 E
 Bm
 It's the rattling and the noises.
 Gbm
 That obscure the truth, the beauty
 Bm
 E
 And the love.
 Bm
 E
 And their clarity that silence
 Gbm
 Is the guardian of.
 Gbm
 She talks of clarity and silence
 E
 Of beauty and of truth.
 Bm
 But search her heart for evidence
 E
 Search herself for proof.
 Bm
 Take a look behind her eyes
 E
 And you will see.
 Bm
 That she knows nothing of silence
 E
 Gbm
 Silence can only come from me.
