

## **Belle And Sebastian - Stars Of Track And Field Solo**

Tom: D then..

This is the trumpet solo in the middle of the song that  $\ensuremath{\mathrm{I}}$ converted into guitar. It's easy and sounds good! Pretty sure it's all correct, if it

isn't then let me know! Thanks!

h - hammer on

~ - slide p - pull off

( do this part twice)

Just make sure you have the right rhythym of the song and it should all fit in. Keep  $\,$ 

Guitar!
