I've seen God in the sun I've seen God in the street  
**G** **C2**  
God before bed and the promise of sleep  
**G** **C2**  
God in my dreams and the free ride of grace  
**D** **C2**  
But then it all disappears...and then I wake up  
**G** **C2**  
Was it too late? Was it just your fate?  
**G** **C2**  
There's a demon that waits at the garden gate  
**G** **C2**  
If you get past him maybe Lawrence and Phil  
**D** **C2**  
Will be waiting to take you to the ghost of rockscool  
( **G C G C** )

**G** **C2**  
Everything hums as the blue heart turns  
**G** **C2**  
And the blue girls guard us when the sun goes down  
**G** **C2**  
A story tonight is from your solitude heights  
**D** **C2**  
I got a window on your constellation  
**G** **C2**  
Master I love from the ground above

**G** **C2**  
There's the stars below as my memory flows  
**G** **C2**  
Every picture frame is beating louder than time  
**D** **C2**  
Every clock in the hall is bending slowly

( **G C G C** )  
( **Am Bm Am Bm** )  
( **D C D C** )

**G**  
She's in her tower and she's beautiful, sure  
The quicker you learn she has no soul to discern  
At least no business of yours. You bear the vacuum of scars  
**D** **C**  
She was put there to tempt you like the perfume of flowers  
( **D G** )

**G** **C2**  
I've seen God in the sun I've seen God in the street  
**G** **C2**  
God before bed and the promise of sleep  
**G** **C2**  
God in my dreams and the free ride of grace  
**D** **C2**  
I've seen God shining up from her reflection

**G** **C2**  
I've seen God in the sun I've seen God in the street  
**G** **C2**  
God before bed and the promise of sleep  
**G** **C2**  
God in the puddles and the lady's sad eyes  
**D** **C2**  
I've seen God shining up from her reflection
