

# Belle And Sebastian - The Model

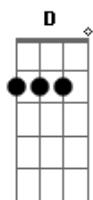

Tom: D

I will confess to you because you made me think about the times  
 She turns the picture on to me and I'll turn over  
 The picture was a masterpiece of comic timing  
 But you wouldn't laugh at all  
 And I wonder what the boy was thinking  
 The picture was an old collage of something classical  
 The model with the tragic hair  
 Because without a doubt he'd given up the fight  
 The ghost of somebody at his side  
 I will confess to you, because I didn't think about the message  
 As I walked down the alleyway it was a Sunday  
 And all my friends deserted me because she painted me  
 As the fraud I really was  
 And if you think you see with just your eyes you're mad  
 Cause Lisa learned a lot from putting on a blindfold  
 When she knew she had been bad  
 She met another blind kid at a fancy dress

It was the best sex she ever had

I'll send a dress to you, because it's needing badly taken in  
 But I was so embarrassed that I missed your party  
 It was me that paid for it eventually  
 Because you know how much I wanted  
 To meet your friend the star of stage and local press  
 The dream of all the bowlie kids that hang around here  
 And I'm no different from the rest  
 I'm not too proud to say that I'm okay with  
 The girl next door who's famous for showing her chest  
 You're not impressed by me, but it's a funny way for you to tell me  
 A whisper in a choir stall  
 The man was talking about you simultaneously  
 Frankly, I let my heavy eyelids flutter  
 Because I have been sleeping badly lately  
 I know you were historical from all the books I've read  
 But I thought you could be bluffing  
 And with this chance I've missed I feel remiss  
 It's days and months before I see you again
