

# Belô Velloso - De Salvador

tom:

Gm Am

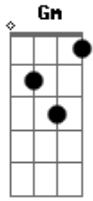

O mar azul dessa Bahia  
 O céu azul que não tem fim  
 Do Farol da Barra, de Itapoã  
 Do pôr-do-sol de cada manhã

Cm

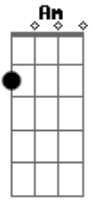

Dos navios das jangadas, das canoas das calçadas

Da Ribeira, da colina do Bonfim  
 Lá da Praça Castro Alves, de Amaralina, do Pelourinho  
 Da Baixa do Sapateiro, das procissões dos Louvores  
 Dos poetas cantadores  
 Nasce a alegria que o amor sabe fa\_zer
