

# Belo - Momentos

Tom: C

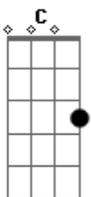

Deixa nosso mundo se encontrar  
 Teu sorriso afastar  
 Meu momento de tristeza  
 Olha, eu venho sofrendo tanto  
 O meu mundo é só pranto  
 Não consigo sonhar  
 Vem fazer meu corpo viajar  
 Até o infinito... Me faça viver

Tudo o que preciso é você  
 Não tenho vergonha em dizer  
 Eu quero te amar, te amar  
 Vem me beijar  
 Quero tanto te amar, oo...  
 Vem que meu corpo deseja  
 Teu prazer  
 Quero deitar no teu colo e dizer  
 Gosto tanto... de você...
