Make my love like a river

A E

I said thinking it would be

A E

Covering the in-between

A B

And joining you to me

Dbm B

See I knew that you would wander

A B Dbm

And I thought you could be free

A E

I guess I thought that

B Dbm

This is what you wanted

Dbm B E

But I won't love like this again

Dbm B E

Because it wears the heart too thin

[Refrão]

E

So make my love like a circle

A B Dbm

No beginning and no end

A E

Give me love like a circle

A B E

And I'll be happy then

[Segunda Parte]

E

Make my love like an ocean

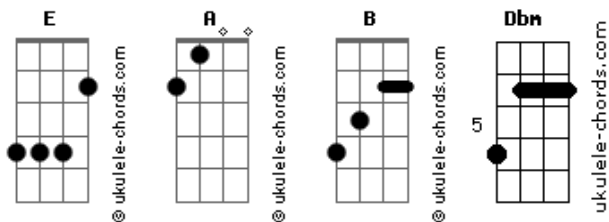

A E

I said deep as deep can be

A E

My might of heart enfolding you

Acordes

A B

Your heart d?fining me

Dbm B

Is there anything so aw?some

A B Dbm

As the fury of the sea?

Dbm E B Dbm

The violence was beauty for a moment

Dbm B E

But I won't love like this again

Dbm B E

It changes with the southern wind

[Refrão]

E

So make my love like a circle

A B Dbm

Ground on which I can depend

A E

Give me love like a circle

A B E

And I'll be happy then

[Ponte]

A B

I seem to live in straight lines

E Dbm

My life is made of straight lines

A B

Always before or behind

E Dbm B A

I can't escape the straight lines

[Refrão]

E

So make my love like a circle

A B Dbm

Oh and teach my heart to bend

A E

Give me love like a circle

A B E

And I'll be happy then
