

# Ben Folds - Red Is Blue

Tom: C

(intro 4x) C Em G

C G  
Everything is changing

C G  
You're looking for the cure

C Em G  
And you feel like you're the loneliest girl in the world

C G  
Trouble in your head now

C G  
Don't know what to do

C Em G  
Seems like up is down and red is blue

C Em G  
Red is blue

C Em G  
Red is blue

C G  
Remember when we started

C G  
Days when all was fun

C Em G  
All that we could make when life was young

C G  
Now you're getting older

C G  
Nothing feels the same

C Em G

You can't even make sense of your own name

C Em G  
Because red is blue  
(Doesn't make much sense)

C Em G  
But red is blue  
(Messing with your head now)

C Em G  
Red is blue

C Em G  
Oohh

C Em G  
Oohh

(C Em G ) (4x)

C Em G  
In your heart There's a room where you lock up

C Em G  
All the times and the things that she said

C Em G  
And now red is blue What was near is far now

C Em G  
Red is blue Like a fallen star

C Em G  
And red is blue

C Em G  
OohhOohhOohh

C Em G  
OohhOohhOohh
