

Ben Haenow - Something I Need

tom:
Capostrate na 3ª casa

I had a dream the other night
About how we only get one life
Woke me up right after 2
Stayed awake and stared at you
So I wouldn't lose my mind

And I had the week that came from hell
And yes I know that you could tell
But you're like the net under the ledge
When I go flying off the edge
You go flying off as well
And if we're only here once
I wanna live with

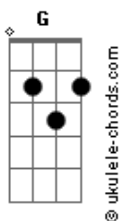

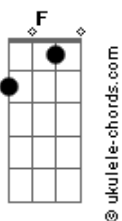

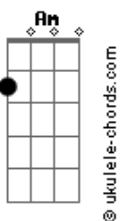

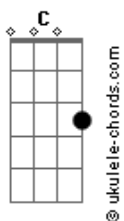

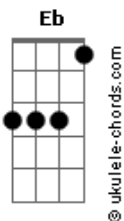

You got something I need
In this world full of people
There's one loving me
And if we're only here once
I wanna live with you

You got something I need
In this world full of people

There's one loving me
And if we're only here once
I wanna live with you

Last night I think I drank too much
Call it our temporary crunch
With broken words I've tried to say
"Honey don't you be afraid"
If we got nothing, we got us
And if we're only here once
I wanna live with

Acordes

You got something I need
In this world full of people

There's one loving me
And if we're only here once
I wanna live with you

You got something I need
In this world full of people

There's one loving me
And if we're only here once
I wanna live with you

I know that we're not the same
But I'm so damn glad that we made it
To this time, this time

You got something I need
Yeah, in this world full of people

There's one loving me
And if we're only here once
I wanna live with you

You got something I need
In this world full of people

There's one loving me
And if we're only here once
I wanna live with you

You got something I need
In this world full of people

There's one loving me
And if we're only here once
I wanna live with you

And if we're only here once
I wanna live
If we're only here once
I wanna live with you
