

Ben Harper - In your eyes

Tom: D

(b>Bm A D D D D D D) 4x

Bm A D D D D

Love,

I get so lost, sometimes

Days pass and this emptiness fills my heart

When I want to run away

I drive off in my car

But whichever way I choose

I come back to the place you are

And all my instincts, they return

And the grand facade, so soon will burn

Without a noise, without my pride

I reach out from the inside

In your eyes

The light, the heat

I am complete

I see the doorway

to a thousand churches

The resolution of all the fruitless searches

Oh, I see the light and the heat

Yes, I want to be that complete

I want to touch the light

The heat I see in your eyes

The heat I see in your eyes

Bm A D D D D

Love,

I don't like to see so much pain

So much wasted

and each moment is slipping away

I get so tired,

working so hard for our survival

I look to these times with you,

to keep me awake and alive

And all my instincts, they return

And the grand facade, so soon will burn

Without a noise, without my pride

I reach out from the inside

In your eyes

The light, the heat

I am complete

I see the doorway

to a thousand churches

The resolution of all the fruitless searches

Oh, I see the light and the heat

Yes, I want to be that complete

I want to touch the light

The heat I see in your eyes
