>From the album Fight For Your Mind  
Ben plays it on a Martin 00-18, and it's  
all finger that the guitar  
is tune a step lower than standard.  
Transcription I. Lindsay

oppression you prey on us  
  
when we sleep  
  
oppression you chase after  
  
the tired the poor the weak  
  
oppression you know  
  
you mean only harm  
  
oppression you reach out  
  
with your long arm  
  
but oppression I won't let  
  
you near me\_\_\_\_\_  
  
oppression you shall learn  
  
to fear me\_\_\_\_\_

rest of the lyrics (they fit in the same way  
as above) :

oppression  
you seek population control  
oppression  
to divide and to conquer is your goal  
oppression  
I swear that hatred is your home  
oppression  
you just won't leave bad enough alone

but oppression  
I won't let you near me  
oppression  
you shall learn to fear me

oppression  
I don't see how you sleep  
oppression  
for your bleeding conscience I weep  
oppression  
you may have the dollar on your side  
but oppression  
from the gospel truth you cannot hide  
and oppression  
I won't let you near me  
oppression  
you shall learn to fear me  
oppression  
you shall fear me
