

Ben Harper - Picture In a Frame

Tom: D

^D
You can sell your soul^A
^G But you can't buy it back^D
^D I've spent my whole life^A
^G Working to give you^D
Everything you lack

^{Bm}
I wish you were here
^A So we could walk and talk
^G In the soft rain, in the soft rain^D
^{Bm} Now all that's left of us
^A Is a picture sitting in a frame^G ...^D

^D I would gladly trade^A
^G All of my sympathy^D
For sorrow
^D If i could have you, if i could have you here^A
^G with me tomorrow^D

I wish you were here
So we could walk and talk
In the soft rain, soft rain
Now all that's left of us
Is a picture sitting in a frame, a picture in a frame

Everything i wish for
Is everything i see
I remember when your kisses were for me

^D So many wasted days^A
^G The past is so hard to get out from under^D
^D So many words that i wish i could say^A
^G The future rattles my bones weak like thunder^D

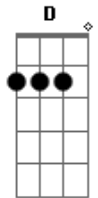

I wish you could be here with me
So we could walk and talk
In the soft rain, soft rain, soft rain
Now all that's left of us
Is a picture, a picture in a frame

Bridge : D=x02210

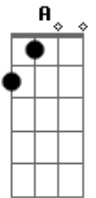

Everything i wish for
Is everything i see
I remember when your kisses were for me
