Em

verse:

Tired maid slowly drifts into the past, into the past

And finds a home where echoes rest, echoes rest

She softly kissed my mind, and whispered what will we do with  
time, do with time

chorus:

The two hands of a prayer

Together like the two hands of a prayer

Together like the two hands of a prayer

Together like the two hands of a prayer

(bridge:play the RiffA then the chorus)

verse:

Another man I choosed to be, choosed to be,

Or just the man I used to be, used to be

Another man I want to be, I want to be

And this question, it keeps haunting me, haunting me

chorus:

The two hands of a prayer

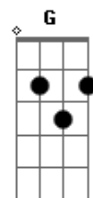

Together like the two hands of a prayer

Together like the two hands of a prayer

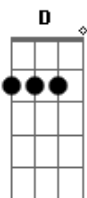

Together like the two hands of a prayer

outro:play the RiffA ...
