Ben Harper - With my own two hands

```
Tom: C
                                                               Am
Intro:
                                                      now i can hold you
                                                         G Am
    Am
                                                      in my own two hands
i can change the world
                                                             Am
                                                      and i can comfort you
   G
           Am
with my own two hands
                                                          G Am
                                                      with my own two hands
         Am
make a better place
                                                            Am
G Am with my own two hands
                                                      but you've got to use
                                                        G Am
                                                      use your own two hands
    Am
make a kinder place
                                                       G
                                                                         F
      G
                          Am
oh with my oh with my own two hands
                                                      use your own use your own
                                                       Am
                                                      two hands
      G
with my own with my own
                                                          G F
                                                      use your ohohohown
  Am
two hands
                                                         Am
                                                      two hands
G
            F
   G
with my own with my own
                                                                        F
                                                      and with i own with i own
 Am
two hands
                                                         Am
                                                      two hands
        Am
                                                         G
i can make peace on earth
                                                      with i with i with i own
    G
            Am
                                                       Am
with my own two hands
                                                      two hands
                                                                    F
           Am
                                                          G
and {\tt i} can clean up the earth
                                                      with my own with my own
                                                       Am
       G
               Am
lord with my own two hands
                                                      two hands
          Am
and i can reach out to you
                                                                                    Am
                                                                 i'm gonna make it a brighter place
     G
                                                             G
oh with my own two hands
                                                                                   Am
                                                      (with my own) i'm gonna make it a safer place
 G F
                                                              G
                                                                                   Am
                                                      (with my own) i'm gonna help the human race
with my own with my own
two hands G
 Am
                                                             G
                                                                       Am
                                                      (with my own) oh make it a brighter place
                  F
                                                         G Am
i can hold you
oh with my own with my own
                                                                       Am
 Am
                                                             G
two hands
                                                        and i comfort you
                                                                                Am
                                                             G
                                                       but you got to got to got to got to got to got to
       G
                             Am
                                                       G
          i'm gonna make it a brighter place
                                                                            Am
       G
                                                              got to got to uhuhuse
                            Am
(with my own) i'm gonna make it a safer place
                                                             G Am
                                                      use your own
      G
                            Am
(with my own) i'm gonna help the human race
                                                             G
                                                                      Am
                                                      use your own lord
      G
               F
 with my own with my own
                                                        G
 Am
two hands
                                                      use your own use your own
                                                         Am
                                                      two hands
```
