

Ben Howard - Call Me Maybe

tom:

Em

[Primeira Parte]

Em
I threw a wish in the well
Don't ask me, I'll never tell

G
I looked to you as it fell
And now you're in my way

Em
I trade my soul for a wish
Pennies and dimes for a kiss

G
I wasn't looking for this
But now you're in my way

[Refrão]

C D
Hey, I just met you

C
And this is crazy

D
But here's my number

C
So call me, maybe?

D
It's hard to look right

C
At you baby

D
But here's my number

C
So call me, maybe?

[Segunda Parte]

Em
You took your time with the call

G
I took no time with the fall
You gave me nothing at all

Em
But still, you're in my way
I beg, and borrow and steal

G
At first sight and it's real
I didn't know I would feel it

Em
But it's in my way

[Ponte]

Em
Your stare was holdin', Ripped jeans, skin was showin'

G
Hot night, wind was blowin'

Where you think you're going, baby?
