When I Get Pasta At A Restaurant
And The Waiter Comes Around
With The Parmesan Cheese
He Says Parmesan And I Say Please
He Gives Me A Spoonful
And Says Would You Like More
And I Say Sure As If It's No Big Deal
As If It's Not My Reason For
Choosing An Italian
Restaurant In The First Place

He Looks At Me And Says Is That Good?
N.C
Yeah, That's Good Thanks

I Always Want More Parmesan
But I'm Embarrassed
I Always Want More Parmesan
But I'm Embarrassed

Why Are They So Stingy

Acordes

Is There A Shortage Of Parmesan
Is It Really That Expensive
I Just Want More Cheese Is That So Wrong
Just Leave It At The Table
I Can Serve Myself For God's Sake
I'm Grown Up, I Have Rights
And I Will Not Be Shamed For My Cheese Intake
I Always Want More Parmesan
But I'm Embarrassed
I Always Want More Parmesan
But I'm Embarrassed
I Will Not Remain Silent
I Will Not Give In
I Will Die Before I Let Big Parma Win
I Always Want More Parmesan
But I'm Embarrassed
I Always Want More Parmesan
But I'm Embarrassed
I'm Embarrassed
