

# Ben L'Oncle Soul - Addicted

tom:  
Intro: Gbm Bm D Db7  
Gbm Bm D Db7

[Pré-Refrão]

Every time I'm falling  
You're the one I'm calling  
And everywhere I'm going  
I know your eyes are on me

[Refrão]

I'm addicted to you, you, you, you  
I'm addicted to you, you, you, you  
I'm addicted to you, you, you, you

[Primeira Parte]

When I feel hurt  
When I'm underground-ground  
When I feel like dirt  
Longing for the sound-sounds  
Of the freeing birds  
You know I'm falling, yeah  
You know I'm falling

[Segunda Parte]

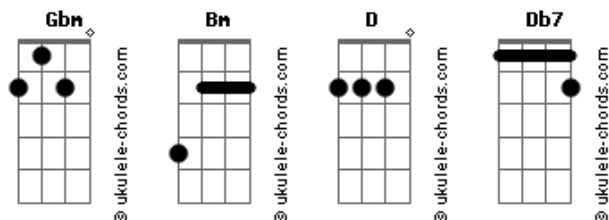

And when I feel pain  
I always think about-about you to be strong again  
I can hear you telling me "Stop worrying in vain"  
You know I'm falling  
You know I'm falling

[Pré-Refrão]

Every time I'm falling  
You're the one I'm calling  
And everywhere I'm going  
I know your eyes are on me

[Refrão]
