End of May or Early June

This picture perfect afternoon we shared Bb

Drive the winding country road
Am
Grab a scoop at A La Mode

An open field that's framed with trees

Quoting songs by our favorite bands

All we see is sky for forever
F Bb
Let the world pass by for forever
F Bb G
Feels like we could go on for forever this way
Bb F
Two friends on a perfect day
F
We walk a while and we talk about
Am Bb
The things we'll do when we get out of school
F
Bike the Appalachian trail or
Am
Write a book
Or learn to sail
Bb
Wouldn't that be cool
Bb
There's nothing that we can't discuss
F Bb
Like girls we wish would notice us but never do
Bb
He looks around and says to me
F
"There's nowhere else I'd rather be"
Bb
I say "me too"
Dm Bb C
And we talk and take in the view
Dm Bb C
We just talk and take in the view

From far across the yellow field I hear him calling "follow me"

One foot after the other
One branch then to another

I climb higher and higher
