

Ben Platt - Honeymind

tom:
 You melt me away, stretch out my days
 Turn all my colors into hues
 Filtering rays, magnolia shade
 Under the cover of you
 All the words I've ever said are tumbling
 All the walls inside my head are crumbling

[Chorus]
 Oh, honey mine, you slow the time
 My days and dreams all bleed together
 Me oh my, I'm lucky I
 Can swim this golden glow forever
 Right here inside my honeymind

[Interlude]
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm hmm hmm hmm

[Verse 2]
 You loosen my grip, fruit in my fist
 Runs through my fingers to the sea
 All the ?what-if's? soften and drip
 Into an ocean of me
 Buzzing bees in peoni?s are rumbling
 Intertwined in moonl?ss skies, we're fumbling

[Chorus]
 Oh, honey mine, you slow the time
 My days and dreams all bleed together
 Me oh my, I'm lucky I
 Can swim this golden glow forever
 Right here inside my honeymind

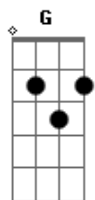

Oh, honey mine, you slow the time
 My days and dreams all bleed together
 Me oh my, I'm lucky I
 Can swim this golden glow forever
 Right here inside my honeymind

[Interlude]
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm hmm hmm hmm

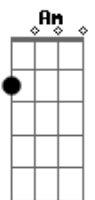

[Chorus]
 Oh, honey mine, you slow the time
 But days and dreams don't last forever
 Not evergreen but ever-sweet
 To swim this golden glow together
 Right here inside my honeymind

[Final]
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm
 Hmm hmm hmm hmm hmm hmm hmm
