

Benee - Blu

tom:

Intro: Gb A E Gb

[Primeira Parte]

Don't look pretty when I cry
Do you feel bad when you lie?
You weren't helping me, no
You'd make me feel so small
When I lost you
Nothing was good
No longer happy anymore
Had to let it go

[Refrão]

Ooh, I thought I found the one
But clearly, I was blue (Babe)

Blue

[Segunda Parte]

Why would I stay?
You forced me away
You were nice, 'til you were not
We always fought
Fought a lot
I wonder why you took so long
To realize that the love was gone
Never, ever felt so bad

[Refrão]

Ooh, I thought I found the one
But clearly, I was blue (Babe)
Blue, ooh, ooh, ooh
