

# Benee - Want Me Back

tom:

**A**

[Primeira Parte]

**D**  
Tell me what you want from me, boy

Why you gotta act so needy?

**A**  
Maybe you were what I'm missing

Maybe I crave your affection

**D**  
Everything you say cuts me, boy

Why don't you just let me heal ya?

**A**  
Why do I feel like I'm searching?

Without you, boy, I feel nothing

[Pré-Refrão]

**D**  
Tear me down, you hurt me

**A**  
Change your mind, want me again

**E**  
Playin' with my heart and I turn blind

**Bm**  
Blind again

[Chorus]

**D**  
Tell me that I all that you need, babe

Tell me that I'm all that you need, babe

**A**  
Longing for my company, hey

Longing for my company, hey

**E**  
You're pushing me 'round

**Bm**  
Look at what I'm left with now, boy

**D**  
Tell me that I'm all that you need, babe

Tell me that I'm all that you need, babe

**A**  
Longing for my company, hey

Longing for my company, hey

**E**  
You're pushing me around

**Bm**  
Look at what I'm left with now, boy

[Segunda Parte]

**D**  
I can see you kind of need me

You've been having trouble sleepin'

**A**  
Maybe we are meant to be here

Maybe I want us to happen

**D**  
Sometimes I wish you would leave and

We would never speak again, but

**A**  
Then there's something 'bout you, boy, yeah

Can't hold myself back from ya  
[Pré-Refrão]

**D**  
Tear me down, you hurt me

**A**  
Change your mind, want me again

**E**  
Playin' with my heart and

I turn blind

**Bm**  
Blind again

[Refrão]

**D**  
Tell me that I'm all that you need, babe

Tell me that I'm all that you need, babe

**A**

**D**  
Too late to apologise

Movin' on now, with other guys

**A**  
Deleted all your messages

You're nothing but lies in my head

**E**  
Should've never hurt me, boy

Wasted your shot

**Bm**  
Now I have moved on

[Refrão]

**D**  
Tell me that I'm all that you need, babe

Tell me that I'm all that you need

**A**  
Longing for my company, hey

Longing for my company, hey

**E**  
You're pushing me 'round

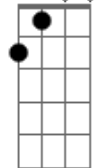

Pushin' me around

**Bm**  
Look at what I'm left with now, boy

Left with now
