

# Benito Di Paula - Quero Ver Você de Perto

tom:

De que adianta você fugir  
 Solte seus cabelos  
 Fique a sorrir  
 Vou fotografar sua mente  
 Quero ver seu corpo presente  
 Quero ver de perto seu amor

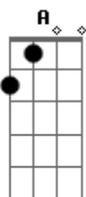

Não ligue pra vida, resto de amor  
 Não importa o mundo  
 A se revelar  
 Eu vou ampliar sua vida  
 Em alto contraste com a volta  
 Close em preto e branco  
 Com muito amor

Quero ver você de perto  
 Quero ver você de perto  
 Quero ver você de perto

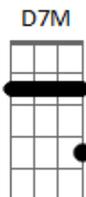

Quero ver você de perto  
 Não ligue pra vida, resto de amor  
 Não importa o mundo  
 A se revelar  
 Eu vou ampliar sua vida  
 Em alto contraste com a volta  
 Close em preto e branco  
 Com muito amor

Quero ver você de perto  
 Quero ver você de perto
