Intro: C G Em
      A A A
               G
If you crash your car into
Your best friends house
C G Em
Would you be quiet as
Words come out of their mouth
Stop... don't do it
I have been waiting for it
  G Em A A A
Stop... I knew it would come
           G
If you find a god next to
Your girlfriends bed
Would it be hard to
Sort out your spinning head
Stop... don't say that, dear
That you wanted him here
                     Em A A A
C G
Stop... don't give him a clear
A C Em A A A
Take a picture of them

A C Em A A A

Take a picture of them
```

## If you are afraid don't be I have the whole thing planned We'll start in the ocean baby And when we find the land G Em We will be thankful to All of our friends That they didn't leave us A A As we got to the end Em Take a picture of them A C Em A A A Take a picture of them A C Em Take a picture of them A C Em A A A Take a picture of them If you find your faith in Your parents god G Em Dont be so quick to Point out the flaws in it You've been around and you've seen A A The way that things work G But you need a compass to Get around your house
