

# Benson Boone - Before You

tom:  
Capostrate na 4ª casa **Eb** (forma dos acordes no tom de **B**)

[Primeira Parte]

Why would I want to fly  
Be on the last red eye  
Talkin' to your voice, only hearing noise  
Oh, it's not enough  
All of the nights I spent  
Drownin' my discontent  
Wasting me away, everything has changed  
Now that I found us

[Pré-Refrão]

And it feels like home

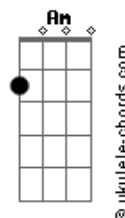

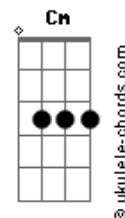

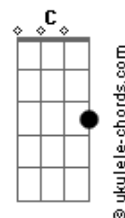

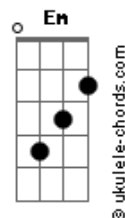

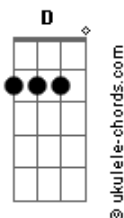

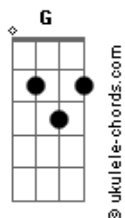

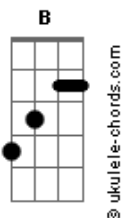

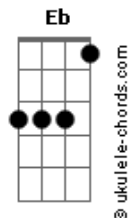

[Refrão]

Darling, if you don't mind  
I'll take your hand tonight  
We could just slow down time  
Let me adore you  
And from the moment I looked in those dark brown eyes  
I can't remember life  
Before you

[Segunda Parte]

Why would I want to go?  
Now that you're all I know  
Smilin' under stars

## Acordes

Playin' chasin' cars  
Somethin'bout the art of music in th? dark  
[Pré-Refrão]

And it feels like home

[Refrão]

Darling, if you don't mind  
I'll take your hand tonight  
W? could just slow down time  
Let me adore you, oh  
And from the moment I looked in those dark brown eyes  
I can't remember life  
Before you  
Oh, before you ...Oh

I'll bet I was lost and alone  
I was barely holding on  
To the thought of a moment like this  
I'll bet I was lost and alone  
I was barley holding on  
To the thought of someone like this  
Oh, I must've been lost and alone  
I was barley holding on  
To the thought that someone like you exists  
[Refrão Final]

Darling, if you don't mind  
I'll take your hand tonight  
We could just slow down time
