

# Benson Boone - Sorry I'm Here For Someone Else

tom:

D

I'm sorry, I'm here for someone else

But it's good to see your face

And I really hope you're doing well

I hope you're doing well

(Here we go, one, two, one, two, three)

She was running late for dinner south side of town

Left the phone a little bitter but it's cool for now

Far from perfect for each other but we're working it out

I suppose (I suppose)

Now I'm waiting at the diner looking traumatized

'Cause you walk up to the table with an order of fries

And I know you

Yes, I know you

Used to love you (Used to love you)

And I said

"I'm sorry I'm here for someone else

It's good to see your face

And I really hope you're doing well

I hope you're doing well

I'm sorry I'm here for someone else

I wish that I could stay

And talk at the bar all by ourselves

But I'm here for someone else"

(Come on, what happened next, Benny?)

(Yeah, what happened?)

When she finally walks into the restaurant

Hate to say it but I knew it, I was already gone

Oh, Benny, don't do it, you're breaking her heart

Benny, don't do it

Benny, don't do it

But I need to go (I need to, I need to, I need to)

It's not personal

When I say

"I'm sorry I'm here for someone else

It's good to see your face

And I really hope you're doing well

I hope you're doing well

I'm sorry I'm here for someone else

I wish that I could stay

And talk at the bar all by ourselves

But I'm here for someone else"

I'm still in love with you

I'm going outta my mind

I-i-i-i couldn't take it anymore

I was already running for the kitchen doors

You were always the one I should've waited for

I can't lose you again, not again, not again, not again
