Benson Boone - Take Me Home

```
                  tom:
                   F
Intro:  F   Bb   Gm   C
```

[Primeira Parte]

```
F                              Bb
Wait for me right down Old Owen Road
     Gm                              C
It's been a while, the streets are overgrown
      F                          Bb
I am glad to see your eyes ain't changed at all
            Gm                      C
They always looked a little greener in the fall
```

[Refrão]

```
F                Bb
Kiss me, kiss me slowly
        Gm              C
Like you did when we were young
      F              Bb
And hold me like you know me
          Gm            C
Like the old days, walk me home
```

[Segunda Parte]

```
F                              Bb
Let's go on a walk, how have you been?
        Gm                       C
Did that fancy college art school let you in?
        F                    Bb
Well, damnit, they'd be crazy if they never saw in you
        Gm                    C
What I failed to see at seventeen, I must've missed it too
```
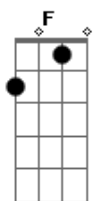

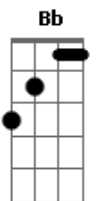

[Refrão]

```
F                Bb
Kiss me, kiss me slowly
        Gm              C
Like you did when we were young
      F              Bb
```
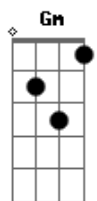

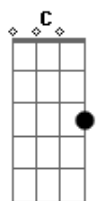

```
And hold me like you know me
          Gm                C
Like the old days, take me home
```

[Ponte]

```
F      Bb        Gm         C
          (Take me home)
F
(Home)
        Bb
(Take me home)
            Gm
(I've been lost)
          C
(On my oh-oh-oh-own)
```

[Refrão]

```
F                Bb
Kiss me, kiss me slowly
        Gm              C
Like you did when we were young
      F              Bb
And hold me like you know me
          Gm            C    F
Like the old days, take me home
```

[Final]

```
           Bb
Take me home
           Gm
I've been lost
      C
On my own
F
   Home
           Bb
Take me home
           Gm
Take me home
           C
Take me home
```
