Benton Paul - Don't Go

Tom: G

```
            Em              C
Hey, how are ya?
                 G           D
I got something I've got to say
Em              C
Please forgive me
                 G              D
If it doesn't come out the right way
Em       C          G          D
I know neither of us here is to blame
Em          C           G    D
But all the fire's gone away

Em   C        G    D
Hey baby, don't go
Em       C        G       D
Things happen, I know, for a reason
Em       C           G  D
We'll build it back slow
Em   C          G    D
But baby, don't go

Em                  C
How will it be different?
        G             D
```

```
Tell me, I've got to know
Em                   C
Cuz if we don't change
        G         D
Then I'll have to go
Em        C            G      D
Life flies by too quickly to idle time
Em          C         G    D
I don't know, you'll be fine

Em    C       G  D
Hey baby, don't go
Em       C        G          D
Things happen, I know, for a reason
Em          C           G    D
We'll build it back slow
Em    C        G    D
But baby, don't go

Em                  C
I don't know,
                 G  D
You'll be fine
Em           C  G  D
I'll be fine
Em
We'll be fine
```
