

# Bernadette Carroll - Care A Little

tom:

**Cm**

**Eb**  
Daytime, nighttime

Each day through, darling how I hope that you  
**Eb**  
Care a little, care a lot  
**Cm** **G7** **Cm** **Bb**  
Let me love you, let me not  
**Ab** **B** **Eb**  
But that wouldn't change the way I care for  
**C7**  
You  
**Ab** **B** **Eb** **C7**  
That wouldn't make me think of someone new  
**Ab** **B**  
Somehow I know I'd rather  
**Eb** **Db** **C** **Fm**  
Live life through with this crazy feeling  
**Bb**

I've got  
**Eb**  
Care a little, care a lot  
**Cm** **G7** **Cm** **Bb**  
Just don't leave me on the spot  
**Ab** **B** **Eb**  
Tell me dear you're gonna let me have my  
**C7**  
Chance  
**Ab** **B** **Eb** **C7**  
Tell me dear your heart is open to romance  
**Ab** **B** **Eb** **Db** **C**  
But don't ever leave it up to circumstance  
**Fm**  
Care a little  
**Abm**  
Care a little  
**Fm** **Bm**  
Care a little  
**Eb**  
Care a lot
