

# Beth Carvalho - O Bêbado e a Equilibrista

Tom: G

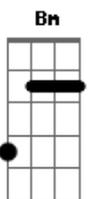

Caía a tarde feito um viaduto  
 E um bêbado trajando luto me lembrou Carli...tos  
 A lua tal qual a dona do bordel  
 Pedia a cada estrela fria um brilho de a...lu...guel  
 E nuvens lá no mata-borrão do céu  
 Chupavam manchas torturadas, que sufo....co  
 louco  
 O bêbado com chapéu coco fazia irreverências mil  
 Prá noite do Brasil, meu Brasil

Que sonha com a volta do irmão do Henfil  
 Com tanta gente que partiu num rabo de fogue...te  
 Chora a nossa pátria mãe gentil  
 Choram Marias e Clarices no solo do Bra...sil  
 Mas sei que uma dor assim pungente não há de ser inutilmente  
 A espe...rança  
 dança na corda bamba de sombrinha  
 E em cada passo dessa linha pode se machu...car  
 Azar, a esperança equilibrista  
 Sabe que o show de todo artista tem que conti...nu....ar
