

Betty Carter - Frenesi

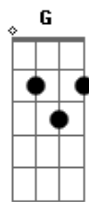

Tom: G

Em Cdim Am D7
It was a fiesta down in Mexico
Em Cdim Am D7
And so I stopped a while to see the show
G Cdim Am G Am
I knew that frenesi meant "Please love me"
G Am Cdim Am G
And I could say frenesi
Em Cdim Am D7
A handsome cabellero caught my eye
Em Cdim Am D7
I stood enchanted as he wandered by
G Cdim Am G Am
And never knowing that it came from me
G Am Cdim Am G D C
I gently sighed "frenesi"

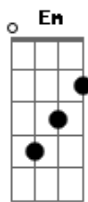

Bridge

B Am B
He stopped and raised his eyes to mine
C D Am B D C
His lips just pleaded to be kissed
B Am B
His eyes were soft as candleshine
C Am D Am D7
So how was I to resist
Em Cdim Am D7
And now without a heart to call my own
Em Cdim Am D7
A greater happiness I've never known
G Cdim Am G Am
Because his kisses are for me alone
G Am Cdim Am G
Who wouldn't say "frenesi"
