 Oh, the good life, full of fun, seems to be the ideal
 Yes, the good life let's you hide
 All the sadness you feel
 B7 Am F7 G

You won't really fall in love, for you can't take the chance
 So be honest with yourself, don't try to fake romance
 It's the good life to be free and explore the unknown
 Like the heartaches
 when you learn you must face them alone
 Please remember, I still love you, and in case you didn't know
 Well, just wake up, kiss the good life hello
