

Beyoncé - Be With You

```
Tom: Bb
  Cm
           Gm
Ooh baby
I love the way you make me feel
It slows down time
Come in my bedroom and turn off the lights
You whisper softly in my ear
Makes me unwind
The way you touch me
Lets me know you're mine
                Cm
I'd rather be with you
Because I love the way
            Gm
You scream my name
                Cm
And there's no other man
That gives me what I want
And makes me feel this way
                Cm
I'd rather be with you because
You hustle hard to take care of me
                   Cm
I'd rather be with you
Boy I'd rather be with you
I love the way youlook at me
Stare into my eyes
What do they say to you
Boy don't be shy
Cm
Tonight's the night your fantasies
Will all come true
I am your woman
I belong to you
There is nothing I won't do for you
        Cm
I know my soul connected me to you
I feel so safe when I'm alone with you
I'm holdin' back nothin'
Saving i all for you
```
