I loved you (oh)
I wish that I'd know you'd let me wonder (oh)
I hope that God knows that
```

```
I'm in need of help right now (ooh)

My soul is remindin' me that we're
 G C Am7
Forever young
 Em

And take what you love, so hold me closer
Realize that you don't know what

          Em
Right about now
