Remember those walls I built
Well Baby they are tumbling down
And they didn't even put up a fight
They didn't even make a sound
I found a way to let you in
But I never really had a doubt
Standing in the light of your halo
I got my angel now
It's like I've been awaken
Every rule I had to break
It's the risk that I'm taking
I ain't never gonna shut you out
Refrão:
Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray won't fade away
I can feel your halo
I can see your halo
               Gbm
I can feel your halo
I can see your halo
Hit me like a ray of sun
```
