

# Beyoncé - Irreplaceable

Tom: **G**

**G** **D** **Am** **C** **D**  
 To the left, to the left... To the left, to the left  
**G**  
 To the left, to the left  
**D**  
 Everything you own in the box to the left  
**Am**  
 In the closet, that's my stuff  
**C** **D**  
 Yes, if I bought it, please don't touch  
**G**  
 And keep talking that mess, that's fine  
**D**  
 But could you walk and talk at the same time?  
**Am**  
 And its my name that is on that jag  
**C** **D**  
 So remove your bags Let me call you a cab

Pré-Refrão:

**C**  
 Standing in the front yard  
**Em**  
 Telling me how I'm such a fool (Talking about)  
**C** **Bm** **Am**  
 How I'll never ever find a man like you  
**D**  
 You got me twisted

Refrão:

**G**  
 You must not know about me  
**D**  
 You must not know about me  
**Am**  
 I could have another you in a minute  
**C**  
 Matter of fact, he'll be here in a minute, baby  
**G**  
 You must not know about me  
**D**  
 You must not know about me  
**Am**  
 I can have another you by tomorrow  
**C**

So don't you ever for a second get to thinking

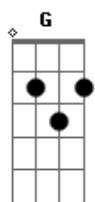

You're irreplaceable

**G**  
 So go ahead and get gone  
**D**  
 Call up that chick And see if she's home  
**Am**  
 Ops, I bet you thought that I didn't know  
**C**  
 What did you think I was putting you out for  
**G**  
 Because you was untrue  
**D** **Am**  
 Rolling her around in the car that I bought you

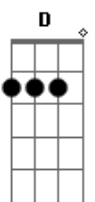

Baby, drop them keys  
**C** **D**  
 Hurry up before your taxi leaves

**C** **D**  
 So since I'm not your everything  
**G**  
 How about I'll be nothing  
**Em**  
 Nothing at all to you  
**A**  
 Baby, I won't shed a tear for you  
**C**  
 I won't lose a wink of sleep  
**D**  
 Cause the truth of the matter is... Replacing you is so easy  
**G** **D**  
 To the left, to the left  
**Am** **C** **D**  
 To the left, to the left  
**G** **D**  
 To the left, to the left  
**Am** **C** **D**  
 Everything you own me in the box to the left  
**C**  
 To the left, to the left  
**C**  
 So don't you ever for a second get to thinking... You're  
 irreplaceable
