

Beyoncé - Love On Top (simplificada)

Tom: C

Intro: C C F F

Bring the beat in!

Honey, honey I can see the stars all the way from here

Can't you see the glow on the window pane?

I can feel the sun whenever you're near

Everytime you touch me I just melt away

Ponte:

Now everybody ask me why I'm smiling up From ear to ear

(They say that love hurts)

but I know

(It's gonna take the real work)

Nothing's perfect but it's worth it

After fighting through my tears

And finally you put me first

Refrão:

Baby it's you, you're the one I love

You're the one I need

You're the only one I see

Come on baby it's you

You're the one that gives your all

You're the one I can always call

When I need you, you make everything stop

Finally you put my love on top Huum come on baby

You put my love on top top top top top

You put my love on top... huV hu come on baby

You put my love on top top top top top

my love on top (my love on top)

Baby, baby I can hear the wind whipping pass my face

As we danced the night away

Boy your lips taste like the night of champagne

As I kiss you again, and again, and again, and again

(Ponte)

(Refrão)

Finally you put my love on top Huum come on baby

You put my love on top top top top top

You put my love on top... huV hu come on baby

You put my love on top top top top top

my love on top (my love on top)
