(intro)

Dm C Am Bb
(verso)
Dm C Am Bb

I'm in this fight, and I'm swinging
And my arms are getting tired
I'm trying to beat this emptiness but I'm running out of time
I'm sinking in the sand , And I can't barely stand
Gm F C
I'm lost in this dream , I need you to hold me
Dm
I'm scared of lonely
Dm C Am Bb
I try to be patient, but I'm hurting deep inside
And I can't keep waiting, I need comfort late at night
And I can't find my way, won't you lead me home
Gm F C
Cause I'm lost in this dream, I need you to hold me
I'm scared of lonely

(chorus 2x)
Dm C Am Bb Gm F C
And I'm scared of be the only
Shadow I see along a wall
And I'm scared of only heart beat
I hear a beating is my own
And I'm scared of been alone
I can't see the breath when I am lost
In this dream, I need you to hold me
I'm scared of lonely

Dm C Am Bb
I cry at night, 'cause my baby's too far, to be by my side
To wipe away these tears of mine, so I hold my pillow tight
To imagine you, I'll stretch your hand looking for mine

I'm lost in this dream , I need you to hold me
I'm scared of lonely

Dm C Am Bb Gm F C
And I'm scared of be the only
Shadow I see along a wall
