Tom: **Db**

Bbm **Gb**
Head down

as I watch my feet take turns hitting the ground
Bbm **Gb**
Eyes shut
Db **Ab**
I find myself in love racing the earth

And I soaked in your love
And love is right in my path, in my grasp
And me and you belong
I wanna run, run smash into you
I wanna run, run, smash into you
Ears closed, what i hear the world just has to know
Cause' i know that what we have is worth first place in gold

And i soaked in your love
And love is right in my path, in my grasp
And me and you belong
And i, i wanna run, run smash into you
I'm willing to run, run smash into you

Whooaaahooo whooaaahooo

Head down as i watch my feet take turns hitting the ground
Eyes shut, i'm in love and i'm racing the earth
And i soaked in your love
And love is right in my path, in my grasp
And me and you belong
And i wanna run, run smash into you
I'm willing to run, run smash into you
I'm willing to run run run run run ooh ooh ooh ooh
I wanna run, run smash into you
I'm willing to run, run smash into you
