Tom: **C**

Your love is bright as ever **C**
 Even in the shadows **Em**
 Baby kiss me **F**
 Before they turn the lights out **C**
 Your heart is glowing **C**
 And I'm crashing into you **Em**
 Baby kiss me **F**
 Before they turn the lights out **C**
 Before they turn the lights out **C**
 Baby love me lights out **C**
 In the darkest night I'll **C**
 I'll search through the crowd **Am**
 Your face is all that I see **F**
 I'll give you everything **G**
 Baby love me lights out **C**
 Baby love me lights out **C**
 You can turn my light down **C**
 We don't have forever **C**
 Baby daylight's wasting **Em**
 You better kiss me **F**
 Before our time is run out **C**
 Nobody sees what we see **C**
 They're just hopelessly gazing **Em**
