tom: Dbm

Think of you all the time Dbm E
 Love rushes with the tide A Ab
 Is it too late for us to try Dbm E
 Waves crush like you and I A Ab

It all feels right when you're by my side Dbm E
 Nothing to fear only on a high A Ab
 If only this lasted without goodbyes Dbm E
 Why can't we make pass this fight A Ab

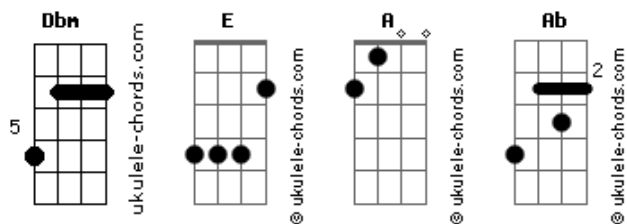

Can we hold on for one more night Dbm E A
 Tonight just you and I A Ab
 Can we push through just one last time Dbm E A
 We've tried and tried and tried A Ab

I should let you go but I don't want to Dbm E
