

# Bia Marques - I Miss Your Touch

tom:

Intro: Dm G7 C Am A7

I miss your touch  
I miss your smile

But I know we need to be apart for a while  
Oh baby, I  
Feel like we are  
Meant to be  
Can?t you see?

I wake up in the morning  
My bed is so cold  
Without you by my side  
Without your hug  
And I?m trying to do something nice  
Just to make you smile  
So I took my guitar for a while  
And I put love in this song  
Oh, darling  
I hope you like it  
I hope to see you soon

I miss your touch  
I miss your smile

But I know we need to be apart for a while  
Oh baby, I  
Feel like we are

Meant to be  
Can?t you see?  
I wake up in the morning  
My bed is so cold  
Without you by my side  
Without your hug  
And I?m trying to do something nice  
Just to make you smile  
So I took my guitar for a while  
And I put love in this song  
Oh, darling  
I hope you like it  
I hope to see you soon

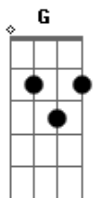

I miss your touch  
I miss your smile

But I know we need to be apart for a while  
Oh baby, I  
Feel like we are  
meant to be  
Can?t you see?

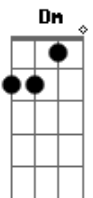

I miss your touch  
I miss your smile

But I know we need to be apart for a while  
Oh baby, I  
Feel like we are  
Meant to be  
Can?t you see?
