

# Byafra - Fantasia Real

Tom: A

m [Intro] C7 F7 C7 F7

Quem conhece os segredos da imaginação

Não se perde nem perde a razão

Não precisa dizer de onde tirou

As idéias que deixa no chão

Quem passeia nos ventos

Que sopram do mar

Sabe que o tempo pode mudar

Pode ser calma

Pode ser temporal

Fantasia ou vida real

Quem não tem

G7/13-

Um mal que não se espanta?

De onde vem essa loucura santa?

E quem sabe explicar, dizer o que é normal?

Fantasia ou vida real?

E quem sabe explicar, dizer o que é normal?

Fantasia ou vida real?

[Solo] Ab7 Gm Abm Db7 Gb7 C F7 Bb7

Quem não tem

Um mal que não se espanta?

De onde vem essa loucura santa?

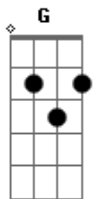

E quem sabe explicar, dizer o que é normal?

Fantasia ou vida real?

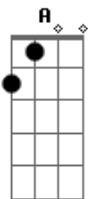

E quem sabe explicar, dizer o que é normal?

Fantasia ou vida real?
