

Biffy Clyro - Break a Butterfly On a Wheel

Tom: **C**

Intro: **C F**

C
I have swallowed all the light
Breathing darkness to be kind
We're surfers the world for ourselves
The people know, the people know and

F
We are young we're going to change the world
We are young we're going to change the world
C
We're gonna change the world

Dm
What did Dad say?
F
He said the party's over

Am
At the first chance
G
This is my last goodbye
Dm
I can change
F
My story's ending
Am G C
Please put me out of my misery

C
Peter climbed a solemn hill
I took a fall he took a spill
We'll tumble this world for ourselves
But we remain misunderstood

F
Keep control we're gonna rise again
Take it all it's time to rise again

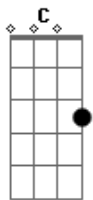

C
It's time to rise again

Dm
What did Dad say?
F
He said the party's over

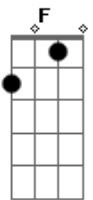

Am
At the first chance
G
This is my last goodbye
Dm
I can change
F
My story's ending
Am G
Please put me out of my misery

F
Well
A
I'll choke
F
On morsels of devils
C F Am
Lovers emboldened with our strained hope
E
I don't know how much,
F C
But I know that I love you still
I love you still
