

# Big Time Rush - Like Nobodys Around

Tom: C

Want you to cry cause you're laughing so hard tonight G  
 Playing air guitar alright Am  
 We're being who we are, even if they hate that F

Want you to shout at the top of your lungs about C  
 All our favorite songs so loud Am  
 We'll be singing along even if they hate that F

Turn up the radio C  
 So what if we lose control G  
 Get a little bit of rock 'n roll Am F

So throw your hands in the air C  
 C'mon and make this count G  
 It's only you and me, never mind this crowd Am  
 Do the way you do it F  
 Do it like nobody's around

Woah  
 So put your hands in the air C  
 C'mon and waste no time G  
 It doesn't really matter if it's wrong or right Am  
 Do the way the do it F

Do it like nobody's around  
 We can do it like nobody's around F

Don't hesitate, be as dumb as you like, you may C  
 miss the time of our lives so stay Am  
 your dancing under the lights, even if they hate that F

Turn up the radio C  
 So what if we lose control G  
 Get a little bit of rock 'n roll Am

So throw your hands in the air C
