

Big Time Rush - Untouchable

Tom: E

Verso 1:

I can see you in the window
 Waiting for my car
 With the moonlight shining on you
 You look so beautiful
 We were searching for that something
 That we could call our own
 But they tell us that we're too young
 And we need to let it go

Pre refrão:

Ooh, I can barely breathe
 Ooh, come run away with me

Refrão:

Don't you worry 'bout a thing
 No hurry 'cause a love like this is forever (forever)
 They don't even know a thing
 We'll show 'em all that we're much better together (together)
 The love we got is so untouchable

Verso 2:

Got the whole world up against us
 They wanna see us fall
 But our love is like a castle
 They can't break down the walls, no
 Like a force field all around us
 Two hearts will keeps us strong

Yeah you got me and I got you
 We're so untouchable

Refrão:

Don't you worry 'bout a thing
 No hurry 'cause a love like this is forever (forever)
 They don't even know a thing
 We'll show 'em all that we're much better together (together)
 The love we got is so untouchable

Ponte:

Imagine us in paradise, somewhere only we know
 And in that place, we'll live our lives
 We're so untouchable, yeah

Pre refrão:

Ooh, come run away with me

Refrão:

Don't you worry 'bout a thing
 No hurry 'cause a love like this is forever (this is forever)
 They don't even know a thing
 We'll show 'em all that we're much better together (better together)
 The love we got is so...
 Don't you worry 'bout a thing
 No hurry 'cause a love like this is forever (forever)
 They don't even know a thing
 We'll show 'em all that we're much better together (together)
 The love we got is so untouchable
