

Big Time Rush - Weekends

tom:
 Bb (forma dos acordes no tom de G)
 Capostrate na 3ª casa
 Intro: C G Em D

I know it's a weeknight
 But it's been a minute
 Since you hit me with a reply, oh

Something don't seem right
 We used to talk every day
 Now it's once in a while
 It's once in a while

It's funny how every word I ate
 Made my stomach ache
 Was it all for nothing?
 Must be my mistake

This runaround got me in a state
 Overcompensate
 I was what you wanted
 Now you don't even look my way

Can you just let me know
 Why you so hot and cold
 I wanna know the reason
 You only call me on the weekends

Either love me or let me go
 You say you will but you don't
 I wanna know the reason
 You only call me on the weekends, yeah

I can see you posting on your page
 Then you go and ghost, why the games?
 Maybe we're just on different waves
 Maybe the you I knew has changed
 I don't wanna believe it
 I don't wanna believe it

Acordes

It's funny how every word I ate
 Made my stomach ache
 Was it all for nothing?
 Must be my mistake
 This runaround got me in a state
 Overcompensate
 I was what you wanted
 Now you don't even look my way

Can you just let me know
 Why you so hot and cold
 I wanna know the reason
 You only call me on the weekends

Either love me or let me go
 You say you will but you don't
 I wanna know the reason
 You only call me on the weekends

Where you at tonight (where you at?)
 Where you at tonight (where you at?)
 Be honest bout the reason
 Then I can let it go

Where you at tonight (where you at?)
 Where you at tonight (where you at?)
 I think I know the reason
 Oh

Can you just let me know
 Why you so hot and cold
 I wanna know the reason
 You only call me on the weekends

Either love me or let me go
 You say you will but you don't
 I wanna know the reason
 You only call me on the weekends
