Intro: G C G C

Working through death's pain

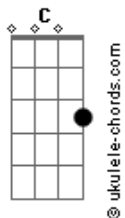

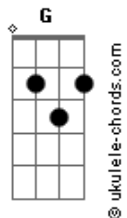

G C G
Last night I swear I felt your touch
G C
Gentle and warm
G C G
The hair stood on my arms
G C G
How, how, how?

G C G C G C
Show me the way, show me the way, show me the way
G C G C
To shake a memory

G C G C
C G
I flipped my forelock, I twitched my withers, I reared and bucked
G C
I could not put my rider aground
G C G C G C
All these fine memories are fuckin' me down

G C G
I dreamed it was a dream that you were gone
G C G
I woke up feeling so ripped by reality
G C
Love is the king of the beasts

Acordes

G C G
And when it gets hungry it must kill to eat
G C G
Love is the king of the beasts
G C G
A lion walking down city streets

G C G C
I fell back asleep some time later on
G C G C
And I dreamed the perfect song
G C G C
It held all the answers, like hands laid on

G C G C
I woke halfway and scribbled it down
G C G C
And in the morning what I wrote I read
G C G C
It was hard to read at first but here's what it said

G C G C
Eid ma clack shaw
G C G C
Zupoven del ba
G C G C
Mertepy ven seinur
G C G C
Cofally ragdah

G C G C G C
Show me the way, show me the way, show me the way
G C G C
To shake a memory
