**C** **C**  
Wait a minute, let me finish  
**F**  
I know you don't care  
**G**  
But, can you listen?  
**C** **C**  
I came committed, guess I overdid it  
**F**  
Wore my heart out on a chain  
**G**  
Around my neck but now it's missing, hmm  
**C** **C**  
Da-da-da-da-da-da  
**F**  
Da-da-da-da-da-da  
**G**  
Oh, hmm  
**C**  
So I think I better go  
**C** **F**  
I never really know how to please you  
**G**  
You're looking at me like I'm see through  
**C**  
I guess I'm gonna go  
**C** **F**  
I just never know how you feel  
**G**  
Do you even feel anything?  
**C** **C**  
Da-da-da-da-da-da

**F**  
Da-da-da-da-da-da  
**G**  
Oh, hmm  
**C**  
You said don't treat me badly  
**C**  
But you said it so sadly  
**F**  
So I did the best I could  
**G**  
Not thinking you would have left me gladly  
**C**  
I know you're not sorry  
**C**  
Why should you be  
**F**  
'Cause who am I to be in love  
**G**  
When your love never is for me  
Me  
**C** **C**  
Da-da-da-da-da-da  
**F**  
Da-da-da-da-da-da  
**G**  
Oh, hmm  
**C**  
So I think I better go  
**C** **F**  
I never really know how to please you  
**G**  
You're looking at me like I'm see through  
**C**  
I guess I'm gonna go  
**C** **F**  
I just never know how you feel  
**G**  
Do you even feel anything?
